379 HOOD POCKET

Hood pockets mount in your grille surround out of sight, so that you can pull open your hood without grabbing your decorative hood ornament or installing unsightly handles on your hood. Fits 359 and 379. (Each)

* Hardware Included. Drilling and Cutting are Required.

- Hidden Hood Pocket
M. 30050 N30050

See page 123 for 388/389 Hood Pockets.

N *The part numbers beginning with 'N' in the right-sided column designate 304 stainless material. 304 stainless has enhanced corrosion resistance.
